

**\*\* Apprentice Amendment Verbiage:**

Any Subcontractor of Contractor submitting a bid must acknowledge that in performance of a subcontract, contract or any subcontract thereof, no apprentices or trainees may be utilized in a particular recognized trade/work classification as otherwise provided for in Section 6 A-E, Apprentices and Trainees, of the Supplemental General Conditions to Bidders of the Miami-Dade County responsible Employer Ordinance, Section 2-11.16 of the Code of Miami Dade County, unless at the time of id submission they establish and certify for that particular trade/work classification:

That the firm participates in an Apprenticeship Program and shall continue to participate in such program or programs for the duration of the project for those trade/work classifications in which apprentices or trainees may be used.

An Apprenticeship Program is an apprenticeship program that is currently registered with and approved by the U.S. department of Labor or with a State Apprenticeship Agency and has graduated apprentices to journeymen status for at least two of the past five years.

The firm shall provide, with this Certification, a list of all trade/work classification of craft employees it will employ with apprentices on the Project and documentation verifying it participates in an apprenticeship program for each trade/work classification listed and that the apprentices are attending school.
